TELECOM ITALIA - TIM

- Andrea Pasquali andrea1.pasquali@mail.polimi.it
- Marco Santomo marco.santomo@mail.polimi.it
- Riccardo Redaelli riccardo5.redaelli@mail.polimi.it

- Delivery date: 17/05/2016

- The following three diagrams show C-IDM, L-IDM and P-IDM schemas of our website/of tim website. We’ve used Balsamiq as prototyping tool for the interactive mockup.

We used F to indicate that there are filters in the page.

‘f’ means that the page is a form.

The avaliable links in the mockup are those followed by ‘->’

At least in our pdf reader, back links in the pdf versions of the mockups are broken.
